Introduction

How can you build a more peaceful school community in which all your learners flourish?

Senior leaders of award-winning peaceful primary schools, and peacemakers who work in schools, will share their experiences with you. You will have the opportunity to learn how to equip your pupils with:

- the ability to access inner peace;
- the skills to make peaceful relationships and handle conflict in a constructive way;
- the motivation, understanding and skills to develop as peacemakers.

For: Head Teachers, Deputy and Assistant Head Teachers and school staff involved in SMSC, PSHCE, RE and Inclusion. School governors and others who support or work with schools are also welcome.
