Aims of this event

- 1 Hear from more experienced educators
- 2 Be inspired
- 3 Network with other teachers and share ideas
- 4 Explore the challenges teachers are facing

The Muslim Teachers Association was established in 1979 and is a non-profit making organisation run by and for Muslim teachers. Our main aim is to link Muslim teachers together, provide support for and advise Muslim teachers and address the issues that Muslim teachers and Muslim pupils are facing in schools today.
